## EC – Declaration of Conformity

For the articles 45709 and 45729

Regarding the presence of substances included in SVHC, published by ECHA, in date 19/12/2012:

We can confirm that the substances are not used intentionally during the item production and they are not intentionally added on the part the suppliers for the production on the raw materials, therefore on basis of our knowledge we consider that they are not present.

Regarding the presence of mentioned substance in our products regarding to No. 2002/95/CE (ROHS):

We confirm that the substances relative to the directive are not intentionally used in the items production and do not intentionally add from our suppliers for the production about the raw materials. For this reason on basis of our knowledge we consider that they do not exist.

We confirm that our products are in according to 72/2002EC and 1935/2004EC. This affirmation is based on declaration of our suppliers and on the very best of our current knowledge.
